At Endless Options, we have been on a long journey...a journey toward independence, where all people's voices will be heard, where people will live their lives how they choose.

As we continue on our journey, our organization will continue to face enormous challenges given the current economic climate. Our answer to these challenges is **strength in numbers**. We will be better equipped to face these challenges with a strong, vibrant membership. We are inviting you to join us on our journey.

## Why we need

Endless Options, Inc. operates on grants, funding from the Division of Developmental Disabilities and the Medicaid program, the Howard County Sheltered Services Board and donations.

The sources of funding for our programs are simply not enough.

We scrimp and save whenever possible, doing more with less funding, covering unfunded mandates as best we can.

Memberships will allow us flexible revenue for our business and support for people with developmental disabilities in Howard County.

We hope membership will provide us

- Revenue that is not restricted
- A pool of supporters for the work we do
- Volunteers
- Potential board of directors members
